A9: Participation in media interviews is at the discretion of the families. Contact the Huntsville Center public affairs office for more information at 256. 895.1690

Q10: What is the amount of the contract?

A10 - The current contract amount is \$ 3,450,000 for each contractor.
EOD Technology, Inc., Knoxville, TN DACA87-00-D-0037 Task Order 0028 - Award letter dated 27 March 2003 with a not to exceed amount of \$ 3,450,000. USA Environmental, Tampa, FL DACA87-00-D-0036, Task Order 0018 - Award letter dated 27 March 2003 with a not to exceed amount of \$ 3,450,000.

Q11: What is the scope of the contract?

A11: HNC's contractors are in Iraq to perform ordnance clearance, de-mining operations, booby trap clearances, site investigations, evaluations and responses, and related efforts in support of construction and rehabilitation work at selected work sites.

Q12: How were these contractors selected?

A12: EODT and USA were selected based on their past performance on similar activities for OCONUS sites and experience in theater.

Q13: Why weren't we allowed to bid on the contracts?

A13: "Unusual and Compelling Urgency", such as war conditions, allows the contracting agency to limit competition.

Q14: How many other contracts will be awarded?

A14: At this time, no additional requirements were identified by the customer.

Q15: Who can we talk to for more information about these events?

A15: Contact the HNC Public Affairs Office at 256. 895.1690. Visit our web site at www.hnd.usace.army.mil and look for "Media Kit" buttons for the latest releases, contact information and links to other resources.
